## Recent Advances in the Management of Refractory Vasculitis

---

Reem Hamdy A. Mohammed

Additional information is available at the end of the chapter

<http://dx.doi.org/10.5772/54517>

---

**Retraction to: Mohammed RHA. Recent Advances in the Management of Refractory Vasculitis. In: Sakkas LI, editor. Updates in the Diagnosis and Treatment of Vasculitis. Rijeka: InTech; 2013. pp. 239-274. DOI: 10.5772/54517**

The publisher is retracting and removing [1] following a reader's report that Figure 5 was copied from previous publication [2] without original author's consent.

The author was unaware that permission was required to reproduce the disputed figure in her work. After she was notified about the copyright infringement, the author herself requested the chapter to be retracted.

The publisher and the author regret any inconvenience this might have caused to the readership.
