Exclusions

Please be aware of the following prior to linking to InTech - Open Access Publisher Official Website:

- InTech reserves the right to make changes to InTech - Open Access Publisher Official Website and other sites and content owned by InTech at any time and without prior notice and with no obligation to inform linking sites
- Although InTech edits and manages the site's content meticulously, we do not guarantee the currentness, accuracy or safety of the information therein or viewing websites that are linked from websites owned by InTech or the third party websites that InTech - Open Access Publisher Official Website is linked to, please follow their rules, as well as the required and recommended software and settings. InTech does not take responsibility for the contents of linked sites, or any damage caused by them.
- Being linked to InTech - Open Access Publisher Official Website does not necessarily mean that the linked site and InTech are in alliance or that InTech recommends the products from linked sites.

Important Notice

We may request to edit or remove any link depending on the content of the sites and the link method used. The above rules are subject to change without prior notice. As changes occur, all links are expected to follow the updated rules.

2. USAGE OF INFORMATION

Access to information on InTech - Open Access Publisher Official Website is free of charge. Neither registration nor payment is required to gain access to InTech's publications. The material is stored in our database, exclusively in PDF format, and easily downloadable.

InTech publications are published under the Creative Commons Attribution 3.0 Unported License. Our Copyright Policy aims to guarantee that original material is published while at the same time giving significant freedom to our authors. InTech upholds a very flexible copyright policy meaning that there is no copyright transfer to the publisher and authors hold exclusive copyright to their work. Under this model, Users have the right to read, download, copy, distribute, print and also search, link to the full texts of book chapters and journal articles, crawl publications for indexing, pass them as data to software, or use them for any other lawful purpose, without financial or legal barriers, even for commercial purposes and under the following conditions:

- **Attribution** – Users must attribute the work in the manner specified by the author or licensor (but not in any way that suggests that they endorse the user or his use of the work). Authors retain the Copyright ownership of their work before and after their manuscript is published. InTech, as the publisher retains the Copyright over the book and journals as a coherent and original whole.

With the understanding that
